

OHSS

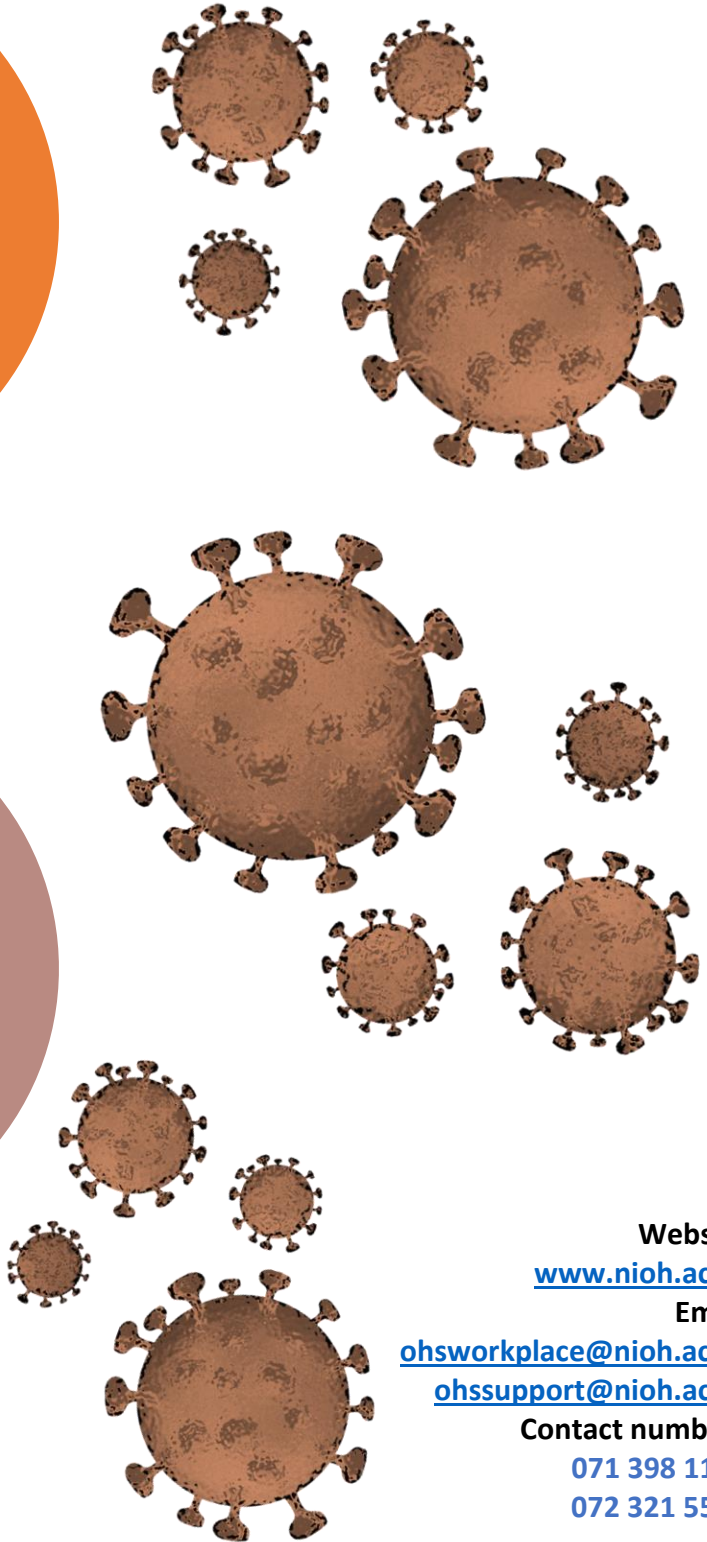

WHO NEEDS TO REGISTER?

All workplaces with confirmed COVID-19 positive employees are required to register and submit data directly to the NIOH

All employers in all sectors with 50 or more workers (in a physical space) are required to submit SYMPTOM, VULNERABILITY, POSITIVE CASES AND RETURN TO WORK data to the OHSS

All departments at local, provincial and national levels of government are required to submit data to the OHSS

If employers are submitting data via OHSS then they ARE NOT required to submit the data to the Director-General: Health or Department of Employment and Labour
